

# Call to Mobile Packages

Do you make a lot of calls from your home phone to mobile phones? Whether you need to manage your budget, or simply make great savings on the cost of your phone calls, TelstraClear's Call to Mobile Packages can help.

Each month you will receive a set number of minutes you can use to make home to mobile calls, for a fixed fee. As well as big savings, you have the certainty of knowing exactly what you are going to pay each month – provided you don't go over your available minutes.

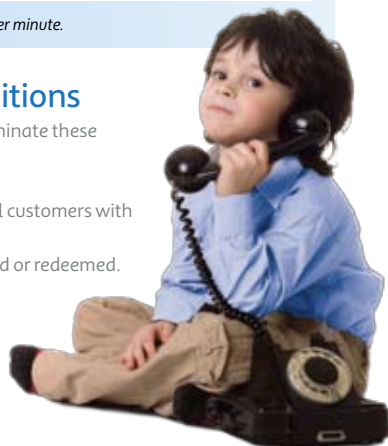

## Call to Mobile Packages offer you great value.

Packages	Monthly Available Minutes*	Monthly Charge
Call to Mobile 40	40 minutes	\$12.00
